**THIS IS THE LIFE**

**O HOLY NIGHT!**

A religious scene set in a landscape. In the foreground, a large, dark cross stands on a dark, rocky outcrop. In the middle ground, two figures are silhouetted against a bright, golden-yellow background. One figure is riding a horse, and the other is walking beside it. The background is a vast, hazy landscape with rolling hills or mountains under a bright sky. A bright star or light source is visible in the upper right corner, casting a glow over the scene.

**O Holy Night! The stars are brightly shining,  
It is the night of the dear Savior's birth.**

**Long lay the world in sin and error pining.  
Till He appeared and the Spirit felt its worth.**

**A thrill of hope the weary world rejoices,  
For yonder breaks a new and glorious morn.**

**Fall on your knees! Oh, hear the angel voices!  
O night divine, the night when Christ was born!**

**Truly He taught us to love one another,  
His law is love and His gospel is peace.**

**Chains he shall break, for the slave is our brother.  
And in his name all oppression shall cease.**

**Sweet hymns of joy in grateful chorus raise we,  
With all our hearts we praise His holy name.**

**Christ is the Lord! Oh praise His name forever!  
His pow'r and glory evermore proclaim!**

**His power and glory ever more proclaim!**
